The Shermans were an ancient family in England and the name there is numerous. The name is said to be derived from their ancient occupation. They were cloth dressers or Shearers of Cloth, and originally from Germany. The Dedham family in England retained the family occupation and the coat of Arms born by those residing in or about London. I has been productive of men of marked character and abilities in England. whilst the branch which emigrated to America has become famous through the Scions notably Gen.Wm.T.Sherman Genl. Thomas W.

Daniel by will

In the Records of Dartmouth he is said to have been born Feb.8,1686 which I deem to be correct.

I am in the belief that he had 3 wives for Free-love is brought in at the birth of Samson in 1723 for the first time and then after a lapse of nine years after the birth of Sarah. His last marriage is thus recorded in the Dartmouth Records-

" September ye 5" 1749 then did"
 " Nathan Sherman take the widow"
 " Mary Tailor in her shift without"
 " head cloth and barefoot, and led"
 " her across the highway, where"
 " two highways met, as the law"
 " directs in such cases, and was"
 " there married according to law"
 " by me Philip Taber Minister"
 " of Dartmouth."

By his will Feb.3,1763 Probated May 1,1764 He gives to wife Mary To son Gerahom, Nathan and Daniel and daughters Freeloove and Gr son Jesse Potter- By this it would seem that

ANTHONY BLOOM

was in London on early in 1862 and is mentioned in the list
of the First Purchasers or Proprietors- He is among those
who he was born in 1782 and married at Lancaster in 1804-
one of his wives being in 1804 and in the division of land, was
a grant of 25 acres, and had six in his family. His first wife
the first year, he was married at Lancaster again in 1804 and
he disappears from that town, for in the division of land
July 21, 1808 his name is not mentioned. He probably married
in Lancaster about that time, (I don't think he ever came home)
settled in the district indicated, and passed from a father to
the estate of his brother William Harvey in 1804 as appears
the name of that in London, and so, there are several in
particular, I desire to be remembered, whose names I don't
not I and this was the better part, and whose names I cannot
ly when and pray for myself wife and some and children dis-
part, who hath four sons, remember our remembrance and love, to
my sons are all married &c.

It seems that he had sold his rights in London in 1807
to Richard Williams-

By the same time there is a witness that he was
well situated in 1807, as he was his daughter and four sons
but it is not known to him and his is not known to him
had 7 grandchildren there- what because of him I do not know.
He probably lived in London as the preceding was in 1807
there are he had three sons Richard, William and Thomas. When
with the daughter William would have the 5 of the family in
them. The only one I have seen in Lancaster was in 1807.

Savage says his wife Joan died August 31, 1679 and as I gather by her will had John born 1645 probably died soon and Mary born July 3, 1660 - These I suppose are in addition to the list given of Giles Children -

Giles Slocum had moved to Portsmouth R.I. where he was Freeman in 1655. October 15, 1659 he buys of Nathaniel, William & Wrestling Brwster for £35 " our 1/2 share in Dartmouth which was a gift from our dear mother Mistris Brewster. "

There is also a record of a sale on the Proprietor's Record of Dartmouth of 1/4 of John Shaw's Senr. share to Ebenezur Slocum August 1, 1665. which would indicate that Gile's Brother were somewhere in the neighborhood or had bought it before the Indian War -

Giles Slocum was admitted Freeman at Taunton in 1657, whether this is right or not I do not know. He was on the roll of Freeman in Portsmouth in 1655. He buys lands of John Granston January 27, 1650. Of Ichabod Pandall January 17, 1657 and of Thomas Cook Jr February 27, 1657. His ear mark is recorded April 25, 1668.

Peleg Slocum claimed the Island of Patience in Naragan-
set Bay for his wife Mary & her sister Elizabeth, and their
claim was allowed by Roger Williams 1 mo 6.1682 Gen.Reg.vol.
22-pp 13.

He claims as by Crane's Record, 1/4 of a share in Dart-
mouth (excepting 9 acres of Meadow & 50 acres Upland) of John
Faunce's share be deed from Thomas Eaton June 12,1686-

He also claims 40 acres of Stephen Tracy's share by
deed from Hugh Mosher May 9,1692- 8 shares of said 40 to set a
meeting House on, and by sd deed claims 1/8 of a share after the
800 acre division.

In the suming up by Crane he says Peleg Slocum's lands
measure 604 acres & 40 Rods with allowance for barren land
He had joined or was born a Quaker, and had married into a
highly respectable Quaker Family. He moved to and resided in
Dartmouth. He was a leading man in the Quaker Society and gave
the land where the "Dartmouth Meeting House" stands-

His will gives to Holder the Southerly part of my
homestead 429 acres. To Peleg the northerly part 669 acres-
making 1098 acres and Crane says he had or it was called 427
I think (pretty good allowance for barren & rocky land.)

Anthony Slocum was in Taunton as early as 1639 and is mentioned in the list of the first purchasers or proprietors. He is among those able to bear arms in 1643- was surveyor of highways in 1654 admitted Freeman in 1657

In 1659 he was on the Grand Inquest, and the division of land when he had a grant of 53 acres of land counted six members to his family- and his tax was Nineteen shillings and four pence. In 1662 he was surveyor of highways again, when he disappears from that Town. He probably removed about this time to (Dartmouth as Baylies quotes) from a letter written by him to his brother William Harvey, evidently written from thence in which he says " to the Church of Christ in Taunton, and Mr. Shove & yourself in particular I desire to be remembered, whose prayers I doubt not I and mine are the better for and whose welfare I earnestly wish and pray for. Myself, wife and sons and daughter Gilbert who hath four sons, remember our respects and loves, and my sons are all married &c." and he is not mentioned in the division of lands at Taunton in July 21, 1666-

By the list of the Proprietors of Taunton in 1675 it seems he had sold his rights there to Richard Williams.

By the letter quoted above it is evident that he was well advanced in years, as he mentions that his daughter Gilbert then had four sons, and that his own sons were all married-

He disappears.---

He certainly had three sons, Eliasur, Giles and Peleg and a daughter who married a Gilbert. These with his wife would make the 6 heads members of his family in Taunton in 1659, but Giles had gone to Portsmouth as early as 1642 17 years before. What finally became and his family with the exception of Giles is not known. The only one I have been able to trace and who appears to be the ancestor of the Dartmouth Slocum's is

Anthony Bloomer was in Tamworth as early as 1842 and is mentioned in the list of the first purchasers or proprietors. He is among those able to bear arms in 1847 - was surveyor of highways in 1854 - assisted Freeman in 1857.

In 1858 he was on the Grand Inquest, and the division of land when he had a grant of 53 acres of land comprised six members to the family - and his tax was Nineteen shillings and four pence. In 1868 he was surveyor of highways again, when he disappears from East Town. He probably removed about this time to (I think) the north of the river in the parish of St. Andrew's (the old parish of St. Andrew's) from a street called the Old Mill (where William Harvey, originally christened from the

in which he was buried in the church of St. Andrew's, and the grave is in the churchyard. I would be glad to see a photograph of the grave.

My wife I doubt not I and mine are the better for and more contented I earnestly wish and pray for. Myself, wife and some and daughter Gilbert who hath four sons, remember our respects and loves, and my sons are all married so, and he is not mentioned in the division of lands at Tamworth in July 21, 1868.

By the list of the Proprietors of Tamworth in 1875 it seems he had sold his rights there to Richard Williams. The following printed notice is in evidence that he was

well advanced in years, as he continues that his daughter William had four sons, and that the one who was all married.

in evidence. — He certainly had three sons, William, John and

John and a daughter who married a clergyman. There were also five other sons and a daughter who married in Tamworth in 1860, and John had two or three sons and a daughter. My wife and I are very glad to hear of you and your family. I hope you are all well and happy. I am, my dear friends, ever your affectionate friend, and will remain so until I can see you.

Giles- who married

Dont believe he ever was in
Dartmouth.

Old Anthony must have been considerable old when he left Taunton- Giles his son had a daughter Joanna bn in 1642- If Giles was 24 when married he was born in 1618- but in 1679 when his wife died he was called Old Giles Slocum- but if he was born in 18- he would have been only 60 years old. The expression may have been to distinguish him from his son Giles- If this Giles was Anthony's oldest son- and married when 24- He would have been born in 1594- & consequently 68 when chosen surveyor of highways the last time.

The letter quoted I doubt as being his- If so he was quite well educated- but the expressions look to me more like a minister's- or some educated man who could write well. He never would have remained S of Highways if he had been able to write with that ease. I am satisfied that he never was in Dartmouth, and the Story of he & Ralph Russell coming here & building a forge is all Bosh- Ralph Russell never was here & between them hadn't money enough to buy a hammer & anvill let alone Done buildings, &c. &c.

For some reason Christopher Gifford summoned his son in law Lieut Nathaniel Soule into Court to shew that he was lawfully married to his daughter Meribah, whether there were rumors that they were not married, or the natural cussidness of Christopher prompted it I know not- This Meribah was a high tempered gal She was fined 15 for aiding her father in 1705 in resisting the constable Thomas Rogers when trying to collect a rate.

Capt. Nathaniel by will March 12 1764 Probated June 30, 1766 Gives to his youngest son Wesson, to son Henry & James. There is no mention made of Meribah or Jonathan.

5 Benjamin
Joshua
Born Feb. 23, 1753

(Not Mr. Elisha Leonard's writing)

Of Mr. Taber's Grandfather I have no knowledge save that he was a man of considerable wealth for those days and lived in what was then called King Philip's country.

My Husband Stephen Taber was the son of Thomas Taber and Elizabeth Bourne. Elizabeth Bourne had been perviously married to (I think) Jonathan Swift by whom she had three children. David, John, both of whom settled in Boston. Abigail, then called Nabby, the only daughter married Zebulon Haskell, and settled by Middleboro pond.

The children of Thomas Taber and Elizabeth Bourne (Swift) were Elnathan, Marcy, Wealthy and Stephen.

Thomas assisted by his father started in business at the head of the River or Acushnet, but did not succeed as he wished and so gave up and started out to seek his fortune as it were and was never heard from. Being a man of good character and habits it was thought by his friends that he met with some accident which ended his life and left his wife and children without their natural protector. Elnathan the first born went to Boston and learned the clock makers trade of Aaron Willard, he married Katherine Partridge and settled in Roxbury. They had They had four children, Thomas, Katherine, Elizabeth and Abby.

Thomas married Harriet Wyman and they had three children. The son died when a young man & the daughters did not marry. Katherine married Isaac Wyman -they had six children- Isaac, Sarah, Katherine, Elizabeth, Abby and a son -name forgotten. Elizabeth married a Marshall and had two daughters one of whom still lives in Boston.

Stephen was born Oct. 23, 1777, at about the age of fourteen went to Boston, and there learned the clockmakers trade of Aaron Willard. At the age of twenty one he started in business for himself in New Bedford continuing for a few years, when he dropped his trade and entered upon the mercantile and ship building business in company with his brother in law Capt. John Hawes. This company built the famous ship Lorenzo, which, being the most beautiful ship in port, was used to bring home our ministers from England who had been to establish the peace following the war of 1812. Mr. Taber at that time owned one fourth of her.

Stephen Taber & Elizabeth Pitcher were married Feb. 29, 1824, their children were a son born Jan. 19, 1825 died Jan. 21, 1825- A daughter Mary Sprague born May 23, 1826 died June 15, 1831- A daughter Elizabeth Bourne born Dec. 29, 1828 died Sept. 22, 1830. Stephen Taber died Sept. 10, 1862.

Henry Tucker I suppose to be the son of Robert of Weymouth 1638, who afterward removed to that part of Dorchester now Milton where he was Representative in 1669 1680 & 1681. Henry is called by Savage as of Sandwich. How long he resided here is uncertain. He purchased of his friend Wm. Allen of Sandwich April 15,1669 his 1/3 share of Dartmouth lands for Fifteen Pounds, and is then called of Milton. This share or 1/3 share came to Wm. Allen by his wife Priscilla who was the second daughter of Peter Brown of the Mayflower by his first wife.

Is Waitstill Marcy Chase or is Waitstill the wif of the minister

Pub Barthol West 2d & Mary Shaw Jan. 16, 1769

Stephen West was probably from Newport and perhaps son of Nathaniel who Farmer (Savage) says was one of the founders of the 1st Baptist Church there in 1644- and as John Cook was a sort of Baptist preacher after his removal to Dartmouth there might have been an acquaintance that way-

Who Thomas & Thomas Jr. were I know not -nor Oniziphorous

It is impossible to make any satisfactory sketch of this family with the material I now have.

Stephen West was son of Bartholemew who went from Portsmouth to Shrewsbury New Jersey. Bartholemew I think md Wm. Almy's daughter Catherine- but have not yet straightened the matter out- Old Crane calls him Mr. West in laying out lands to him- I therefore suppose that he was a sort of Elder or preacher.

Douglas Merritt, Esq.

My dear sir;

I do not pretend to go back of John Wood of Portsmouth, and only to him as father of Wm Wood who died or whose inventory was made Feb. 3, 1696- and who married Martha Earle. This William had lands in Dartmouth and by the disposition of his Estate his children were mostly minors, all but the first three certainly.

Wm Wood son of above born I know not, neither who he married. He died in 1750. His 1st child Mary was born May 23, 1689 & died 11th 27, 1706/7

By the Record & his will he had 12 children.

The family of Woods resided here, and continued here until the present time.

Of course there are breaks in the genealogy
